

Dear Reverend Tony,
Now that all the dust has settled we
wanted to take a moment and thank
you for saving our wedding day memories.
It could have turned out so differently
but because of your kindness and under-
standing it became the most romantic
moment that Allen and I can cherish
throughout the years. We are building
a Time Capsule of our wedding day
and the French Quarter Wedding
Chapel will most certainly be a special
part of those memories.

With heartfelt thanks,

Allen & Patti Hood
